

You Are a Psychopath!

Causes, nature, symptoms,
and cures of your psychosis.

**You would never
worship an idol?**

**But you do worship
something worse!**

**You worship your
own thoughts!**

**You worship your
own thoughts!**

**Each time you follow
them instead of God!**

You Are a Psychopath!

Causes, nature, symptoms,
and cures of your psychosis.

PSYCHOPATH. Mental disease or disorder; personality disorder that lacks a physiological basis, characterized by marked impulsive, egocentric, irresponsible, and antisocial behavior, and an inability to form normal relationships with others, sometimes accompanied by aggressiveness or charm and manifested at all levels of intelligence.

Are we psychopaths?

Without a doubt!

What do we need?

A frontal lobotomy!

LOBOTOMY. An incision into the frontal lobe of the brain, especially in the treatment of mental illness.

We will make our incision with the sword of the Spirit, which is the word of God, handled by your pastor and those full of goodness and knowledge, able to perform the surgery of cutting out your wrong thinking to replace it with godly thinking.

These Men Are Destroying Lives

- They selfishly perpetuate asinine choices / actions.
- These damnable choices come from their thoughts.
- It does not matter if conscious or subconscious.
- God holds us responsible for our thoughts / actions.
- Every man is on a scale approaching a psychopath.

What Kind of Thoughts? - 1

- *I am the man and can do whatever I want to do.*
- *My wife should feel lucky she is married to me.*
- *She will not divorce or leave me around this church.*
- *She disappoints me, so I have a right to neglect her.*
- *My life is hard – I work harder – I deserve some fun.*

What Kind of Thoughts? - 2

- *I appreciate the true doctrine so I am set with God.*
- *She does not see truth I do, so I am better than her.*
- *She does not treat me like God, and I am like God.*
- *If it wasn't for me, her life would be a mess.*
- *Alcohol or other chemicals help me relax.*

What Kind of Thoughts? - 3

- *I am a special and unique person, so respect me.*
- *I understand things others do not grasp, honor me.*
- *I am valuable as I am; productivity is overrated.*
- *I cannot help my moods. I cannot do any better.*
- *I do this and that better than most. Give me slack.*

**How can I get you to
hate your thoughts to
love God's thoughts?**

Why Is a Spender a Spender?

- God said some money is for saving (Pr 6:8; 30:25).
- God said overspending is stupid sin (Pr 21:17,20).
- *I will save when I am making more money.*
- *I have a right to a pet, smart phone, vacation, etc.*
- *It was a great deal and saved me \$40 or 10%.*

Why Is a Miser a Miser?

- God said money is for scattering (Prov 11:24-26).
- God said misers have mental illness (Eccl 5:17-19).
- *Saving is better than spending, so I am better.*
- *My money is my own, and I can use it as I please.*
- *If I gave my money it would be spent foolishly.*

How You Peek at Porn

- God said porn is sin (Pr 5:19; 6:25; Matt 5:28; etc.).
- *I am a sexy man, and I need more than a wife.*
- *What she does not know cannot hurt her.*
- *Its only pictures/videos, and it makes me hotter.*
- *I couldn't help it – the urge to look was too strong.*

Why You Skip Thursday Prayer

- Because you are a belly worshipper being exposed.
- *It is not a required assembly, so it is not binding.*
- *Self-righteous zealots will fill up the few chairs.*
- *I pray at home; I don't like to pray in public.*
- *I am too busy. I have a lot of important duties.*

A yellow equilateral triangle with a thick red border is centered on a black background. Inside the triangle, the text "Fools and scorners will yet resist the charge of mental illness." is written in a bold, black, sans-serif font, centered both horizontally and vertically.

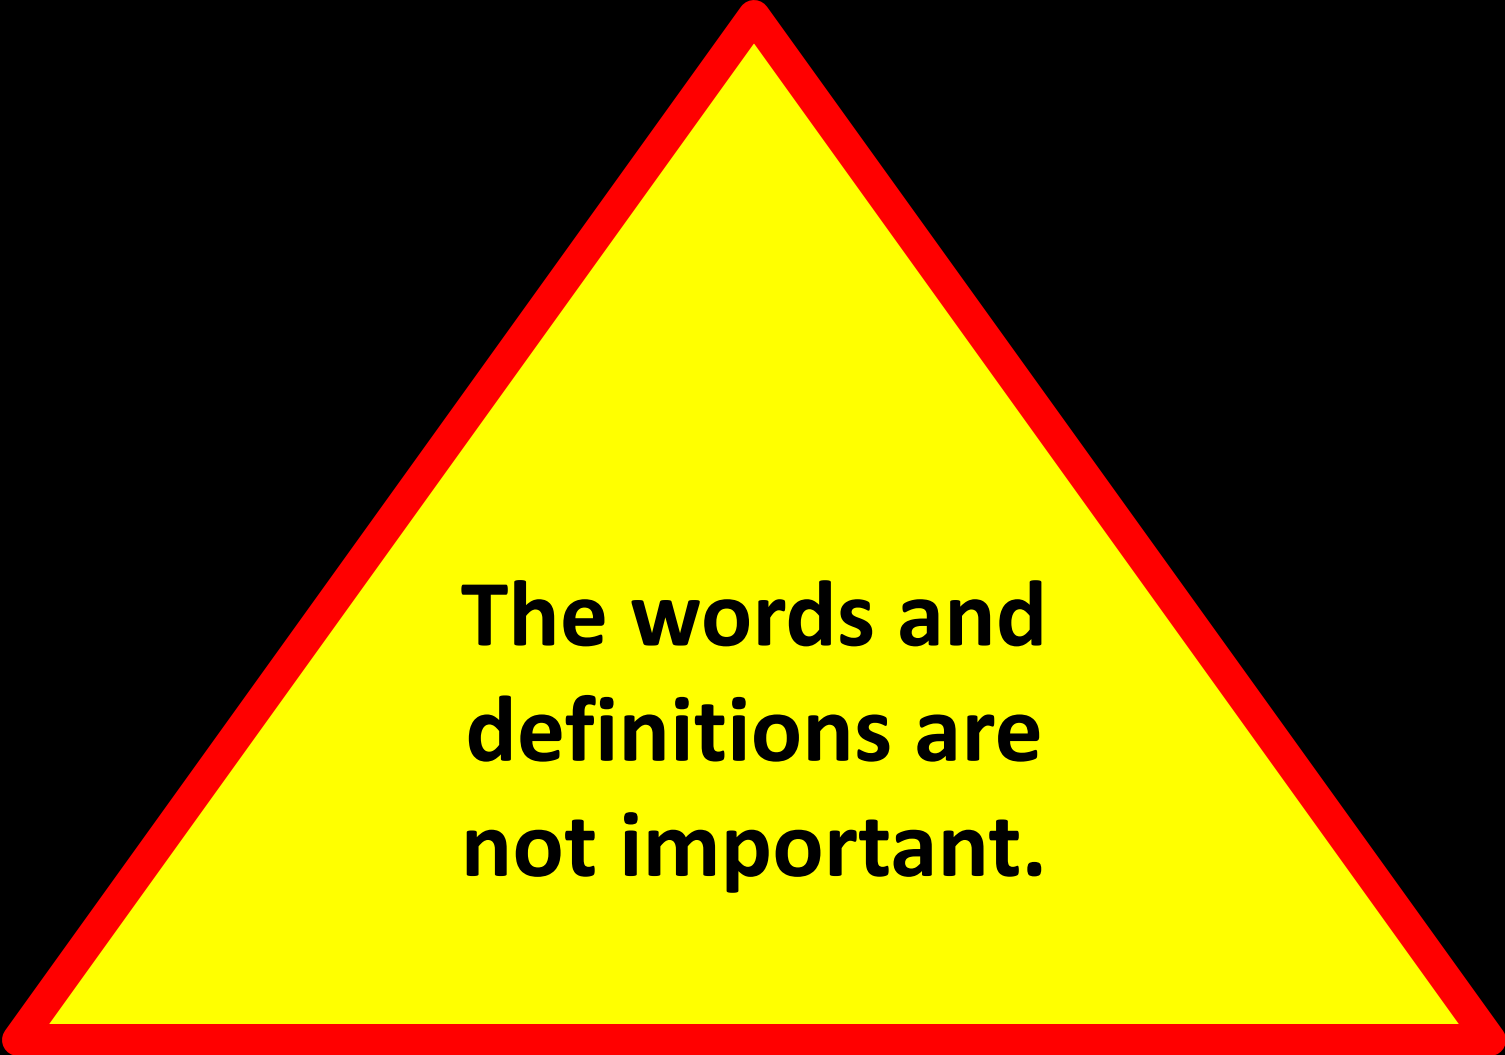

**Fools and
scorners will yet
resist the charge
of mental illness.**

This is how you define a psychopath:

A boy beaten cruelly in childhood becomes mentally disturbed and emotionally enraged and turns to porn in his teens and uses it to justify masturbation, then peeping, then violent rape, and finally cannibalism and eating human hearts without regard for God or his victims.

Are we psychopaths?

Without a doubt!

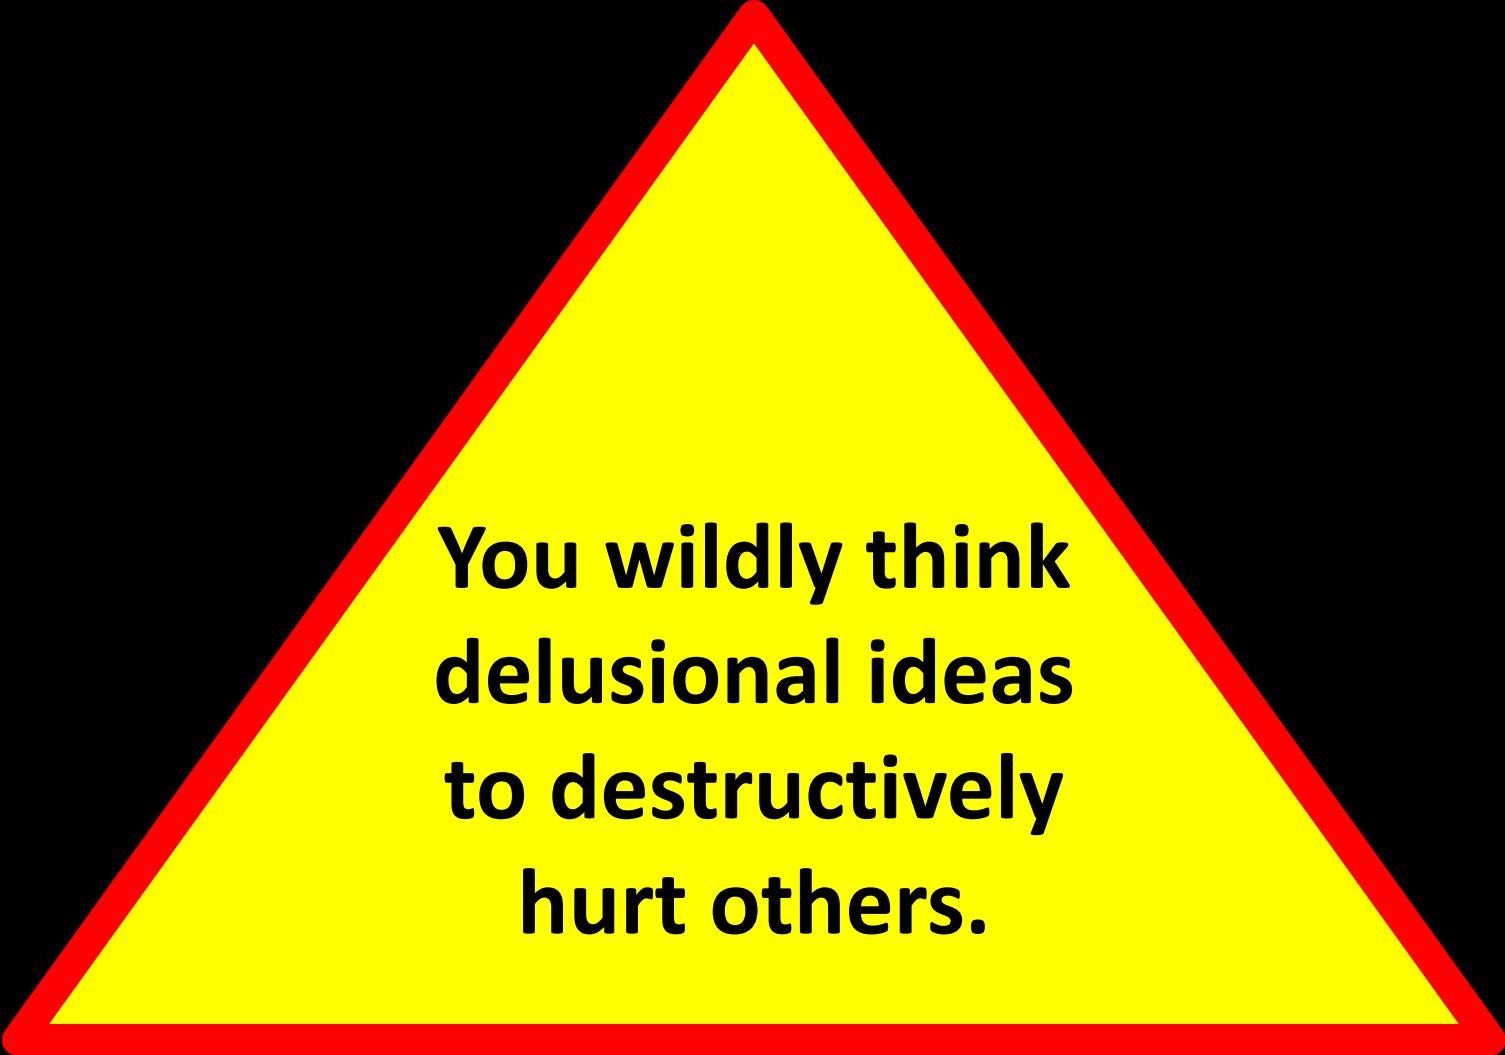

**The words and
definitions are
not important.**

**But are we
psychopaths?**

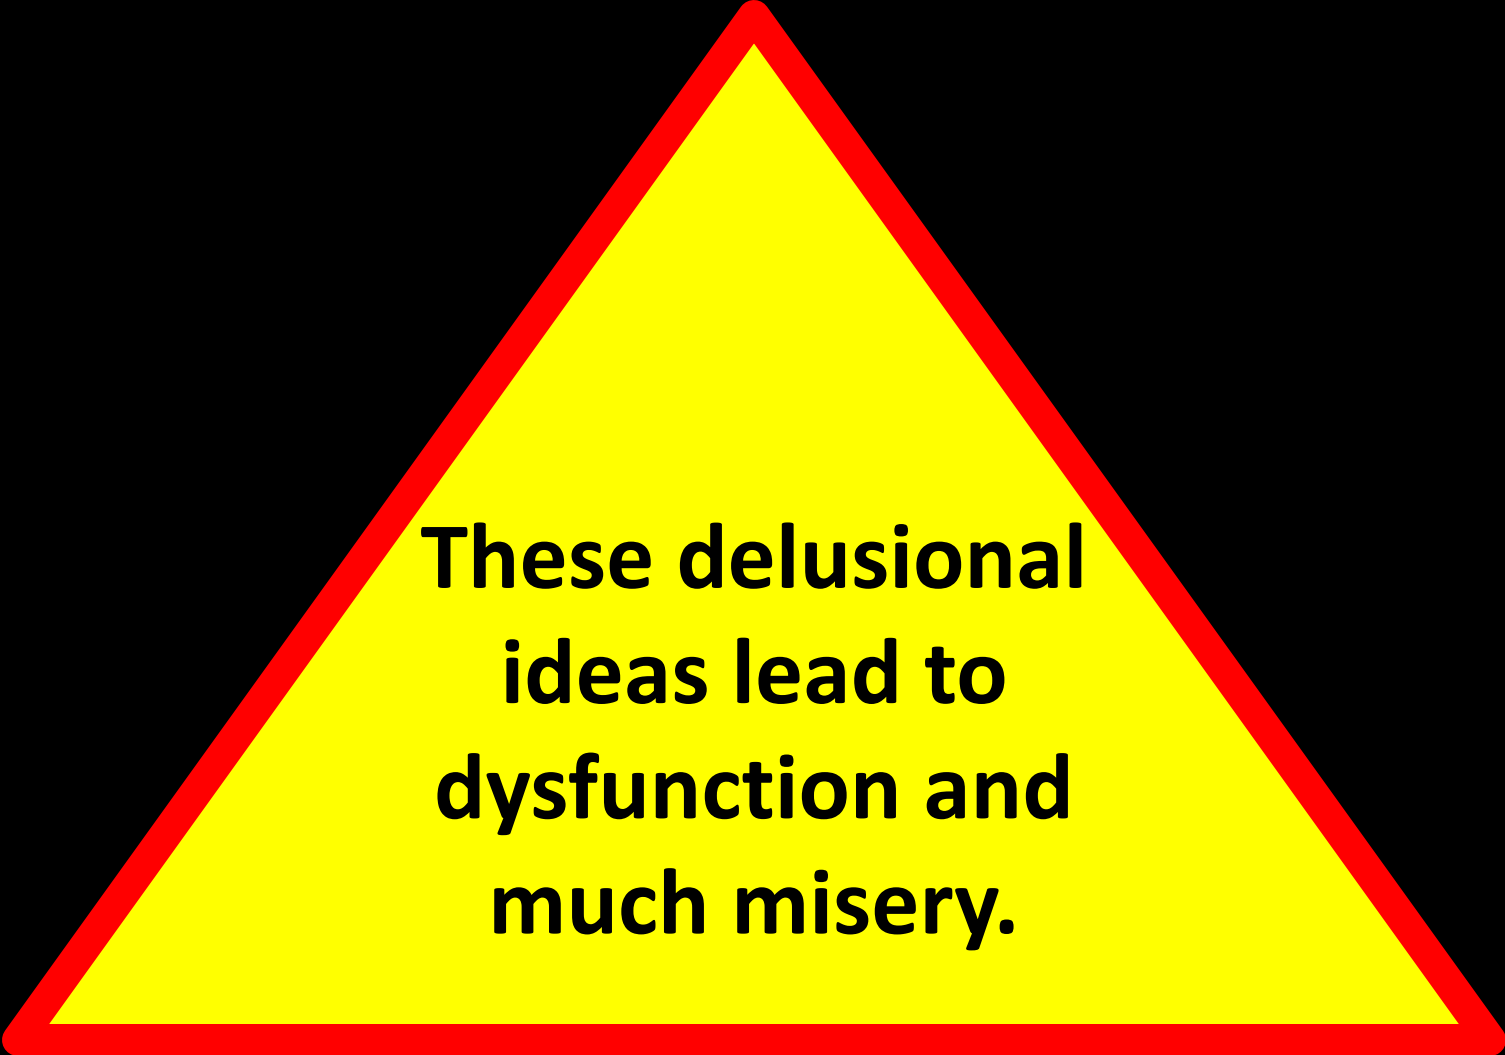

Without a doubt!

A yellow equilateral triangle with a thick red border is centered on a black background. Inside the triangle, the text "Humble yourself to the depravity of your sick mind." is written in a bold, black, sans-serif font, centered both horizontally and vertically.

**Humble yourself
to the depravity
of your sick
mind.**

**You wildly think
delusional ideas
to destructively
hurt others.**

**These delusional
ideas lead to
dysfunction and
much misery.**

**You cannot be a
psychopath since
you would never
commit murder?**

**Did we hear you think
that asinine thought?**

God said,

“Thou shalt not kill.”

**How agreeable are
you to that decent
proposition?**

**Is part of you able to
recognize that such an
idea is probably good
for society and you?**

**Is part of you selfishly
rebellious against
such an idea?**

**Does this insane part
cause thoughts about
others or cause your
tongue to speak?**

21 Ye have heard that it was said by them of old time, Thou shalt not kill; and whosoever shall kill shall be in danger of the judgment:

22 But I say unto you, That whosoever is angry with his brother without a cause shall be in danger of the judgment....

Matthew 5:21-22

**As Christians, how
can we violate
God's simple
command?**

7 Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be.

8 So then they that are in the flesh cannot please God.

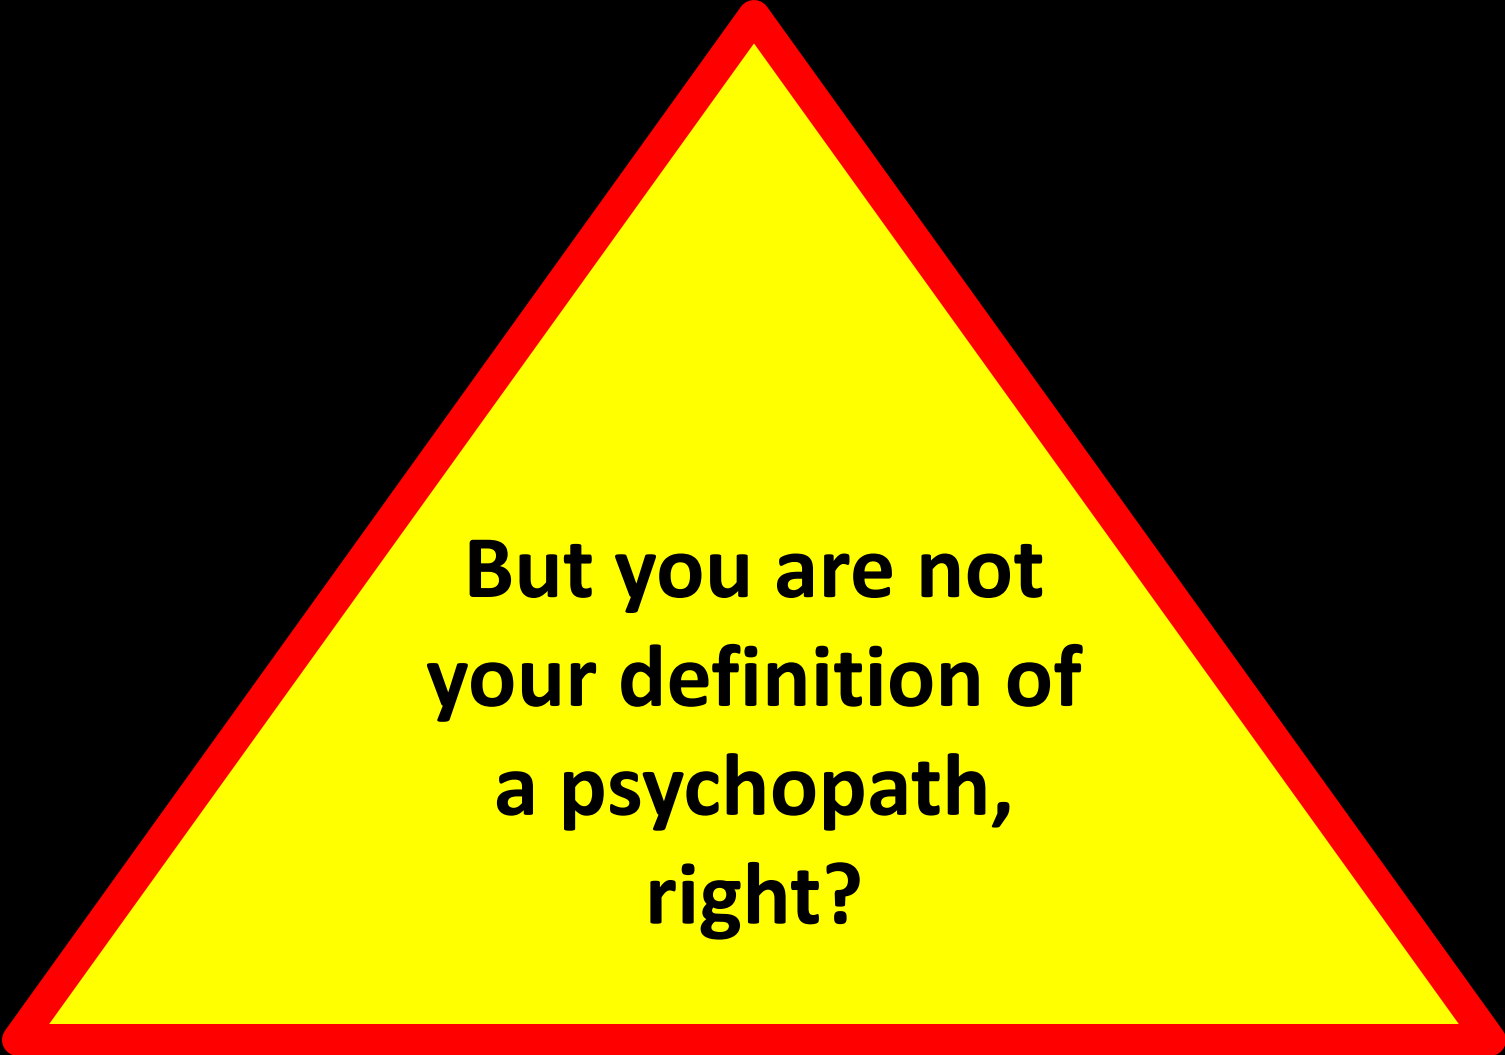

Romans 8:7-8

The main reason you do not commit murder is the same reason Charles Darwin did not.

You would get caught and the punishment is enough for you to sheathe your knife.

If you think you do not commit murder for other reasons, you reveal your insanity.

You violate Matthew 5:21-22 without thought – though you have been taught it – because police do not punish that killing!

**But you are not
your definition of
a psychopath,
right?**

This is how you define a psychopath:

A boy beaten cruelly in childhood becomes mentally disturbed and emotionally enraged and turns to porn in his teens and uses it to justify masturbation, then peeping, then violent rape, and finally cannibalism and eating human hearts without regard for God or his victims.

**You cannot be a
psychopath since
you would never do
anything like that?**

This is how you define a psychopath:

A boy beaten cruelly in childhood becomes mentally disturbed and emotionally enraged and turns to porn in his teens and uses it to justify masturbation, then peeping, then violent rape, and finally cannibalism and eating human hearts without regard for God or his victims.

**Mental illness or
mental discipline?**

Mental Illness or Mental Discipline!

- There is no middle ground ... insanity or godliness.
- Not illness! Think drunkenness, sexual addiction!
- Identify it as sin ... repent of it ... install new habits.
- Of course, established habits require great change.
- Sinful thinking habits are no different than any habit.

**If you do not humbly
reject sick thinking
and correct it, the
outcome is this:**

Though thou shouldest bray a fool in a mortar among wheat with a pestle, yet will not his foolishness depart from him.

Matthew 15:19

For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.

Hebrews 4:12

Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the LORD, and he will have mercy upon him; and to our God, for he will abundantly pardon.

Isaiah 55:7

**Every way of a man is right in his own eyes:
but the LORD pondereth the hearts.**

Proverbs 21:2

**The thoughts of the righteous are right: but
the counsels of the wicked are deceit.**

Proverbs 12:5

Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.

Philippians 4:8

14 But if ye have bitter envying and strife in your hearts, glory not, and lie not against the truth.

15 This wisdom descendeth not from above, but is earthly, sensual, devilish.

16 For where envying and strife is, there is confusion and every evil work.

James 3:14-16

Wherefore gird up the loins of your mind, be sober, and hope to the end for the grace that is to be brought unto you at the revelation of Jesus Christ;

Pride in thoughts? No!
Protect thoughts? No!
Preserve thoughts? No!
Promote thoughts? No!

They are poison!

A yellow equilateral triangle with a thick red border is centered on a black background. Inside the triangle, there are two lines of bold black text.

Start with pride!

**Get rid of all
proud thoughts
of any kind!**

Start with Pride!

- Pride is the greatest enemy of God and your soul.
- It leads to self-justification and self-righteousness.
- It distracts you by causing you to criticize others.
- It resents correction and will lie to avoid conviction.
- Stop positive thoughts of you and negatives of others.

Examples of Foolish Thoughts

- *I have failed before ... I will fail again ... no hope.*
- *You don't understand me, so your ideas don't work.*
- *God has not forgiven me, so I must wait on Him.*
- *It is the woman that thou gavest me that hurts me!*
- *This stuff doesn't really matter ... I am duly baptized.*

your head!**

God's strength.**
