2019 Version

The only living and true God,  
the LORD Jehovah of the Bible,  
chose to reveal Himself and His  
will for us by a written revelation.

1 Thus saith the LORD, The heaven is my throne, and the earth is my footstool: where is the house that ye build unto me? and where is the place of my rest?

2 For all those things hath mine hand made, and all those things have been, saith the LORD: but to this man will I look, even to him that is poor and of a contrite spirit, and trembleth at my word.

Isaiah 66:1-2

We will examine Bible study tools,  
but without the Eternal and Creator  
God in us and with us, we shall not  
understand scripture or be fruitful.

The difference between  
Saul and David is  
very great.

13 Then Samuel took the horn of oil, and anointed him in the midst of his brethren: and the Spirit of the LORD came upon David from that day forward. So Samuel rose up, and went to Ramah.

14 But the Spirit of the LORD departed from Saul, and an evil spirit from the LORD troubled him.

I Samuel 16:13-14

But he, being full of the Holy Ghost, looked up stedfastly into heaven, and saw the glory of God, and Jesus standing on the right hand of God,

Acts 7:55

For he was a good man, and full of the Holy Ghost and of faith: and much people was added unto the Lord.

Acts 11:24

Therefore, let us beg  
God for His Spirit  
as Paul wrote.

17 That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him:

18 The eyes of your understanding being enlightened....

Ephesians 1:17-18

18 For through him we both have access by one Spirit unto the Father....

22 In whom ye also are builded together for an habitation of God through the Spirit.

Ephesians 2:18-22

16 That he would grant you, according to the riches of his glory, to be strengthened with might by his Spirit in the inner man;...

19 And to know the love of Christ, which passeth knowledge, that ye might be filled with all the fulness of God.

Ephesians 3:14-19

And grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption.

Ephesians 4:30

And be not drunk with wine, wherein is excess; but be filled with the Spirit;

Ephesians 5:18

17 And take the helmet of salvation, and the sword of the Spirit, which is the word of God:

18 Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints;

Ephesians 6:17-18

God must open our eyes  
to see the glorious truth  
of His written revelation.

Open thou mine eyes, that I may behold wondrous things  
out of thy law.

Psalm 119:18

At that time Jesus answered and said, I thank thee, O Father, Lord of heaven and earth, because thou hast hid these things from the wise and prudent, and hast revealed them unto babes.

Matthew 11:25

But blessed are your eyes, for they see: and your ears, for they hear.

Matthew 13:16

Our 75-page hermeneutics study has a warning about the crucial need for personal spiritual qualifications.

## **WARNING**

**Do not neglect or underestimate this section. The Bible is a spiritual book, written by the eternal Spirit, Who demands we use it on His terms. While the flesh, the world, Satan, and most Bible students ignore or despise these points, they are more important than any rules of hermeneutics. Young man, crush your impatience, and wait upon the Lord for the liberal wisdom and understanding that only He can give (Psalm 119:18).**

**May God bless you!**

Your attitude approaching God's word  
is incredibly important or the Bible  
will be a closed book to you.

To be like David, the man  
after God's heart, you  
must love His words!

O how love I thy law! it is my meditation all the day.

Psalms 119:97

I hate vain thoughts: but thy law do I love.

Psalm 119:113

Thou puttest away all the wicked of the earth like dross:  
therefore I love thy testimonies.

Psalm 119:119

Therefore I love thy commandments above gold; yea,  
above fine gold.

Psalm 119:127

Consider how I love thy precepts: quicken me, O LORD,  
according to thy lovingkindness.

Psalm 119:159

I hate and abhor lying: but thy law do I love.

Psalm 119:163

Great peace have they which love thy law: and nothing shall offend them.

Psalm 119:165

My soul hath kept thy testimonies; and I love them  
exceedingly.

Psalm 119:167

More to be desired are they than gold, yea, than much fine gold: sweeter also than honey and the honeycomb.

Psalm 19:10

Moreover by them is thy servant warned: and in keeping of them there is great reward.

Psalm 19:11

The LORD God our Father gave us a  
divine library with 66 volumes in it,  
but we need three things to learn.

The place of the scripture which he read was this, He was led as a sheep to the slaughter; and like a lamb dumb before his shearer, so opened he not his mouth:

Acts 8:32

When ye therefore shall see the abomination of desolation,  
spoken of by Daniel the prophet, stand in the holy place,

1. You want to know the meaning of a verse.
2. Your family or a friend asks about a verse.
3. You want to correct the abuse of a verse.
4. You want to teach a verse's full meaning.

So they read in the book in the law of God distinctly, and gave the sense, and caused them to understand the reading.

Nehemiah 8:8

Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

II Timothy 2:15

1 Know ye not, brethren, (for I speak to them that know the law,) how that the law hath dominion over a man as long as he liveth?

2 For the woman which hath an husband is bound by the law to her husband so long as he liveth; but if the husband be dead, she is loosed from the law of her husband.

Romans 7:1-2

Now of the things which we have spoken this is the sum:

We have such an high priest, who is set on the right hand of the throne of the Majesty in the heavens;

Hebrews 8:1-2

## We then study **TOPICS**.

1. The sound of words is inferior to their sense.
2. We want to understand the scripture's intent.
3. We want gather all written about a subject.
4. The Bible is not a book of sound bite verses.
5. Topics will often use many words and verses.

Commentaries are like having an aged, esteemed pastor living in your home, who dedicates all his time to you only, explaining any passage you ask about.

Bible commentaries each have nuances to be learned to best use them.

Poole is organized by verses and gives a short, sound explanation to phrases in a verse.

Henry is organized by section and gives a long, spiritual explanation for that section.

Bible commentaries each have nuances  
to be learned to best use them.

Barnes often lists the various opinions of a text  
by name of author with his approval or criticism.

Clarke is an Arminian but fearless to stand for  
incarnate sonship, Hebrews before 70 A.D., etc.

Bible commentaries each have nuances to be learned to best use them.

Gill is a high Calvinist Baptist (good) but too wordy and wastes much time with Jewish rabbis.

Trapp is creative and wildly graphic with his pithy remarks but fails to analyze the text like others.

Systematic theologies, like professional handbooks, are helpful by collating Bible evidence by topic and indexing it.

Systematic theologies are like having a theologian living in your home, who dedicates all his time to you only, explaining any doctrine needed.

There are many systematic theologies,  
and you want to stick to those  
compatible with your beliefs  
e.g. Baptist, Calvinist, etc.

The best systematic theology for sovereign grace Baptists is John Gill's, which he did at the end of his life.

## Six Study Tools

1. God blessed men with talent to write them.
2. Those men worked diligently to finish them.
3. The combined tools help us do much easily.
4. Combing the books back and forth is tedious.
5. God has chosen to bless us above all others.

You have learned three ways  
to approach Bible study:

disease was desperate, seeing that men rejected the remedy divinely prescribed for them. In short, Moses points it out as the most extreme disorder; when the sons of the pious, whom God had separated to himself from others, as a peculiar and hidden treasure, became degenerate.

That ancient figment, concerning the intercourse of angels with women, is abundantly refuted by its own absurdity; and it is surprising that learned men should formerly have been fascinated by ravings so gross and prodigious. The opinion also of the Chaldean paraphrase is frigid; namely, that promiscuous marriages between the sons of nobles, and the daughters of plebeians, is condemned. Moses, then, does not distinguish the sons of God from the daughters of men, because they were of dissimilar nature, or of different origin: but because they

Who were the Sons of God?  
What Was Their Sin?  
What Happened?

Genesis 6

1 And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them,

2 That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose.

3 And the LORD said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years.

4 There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.

5 And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.

**Thank you, blessed  
God and Father!**

There is another option ... all six tools are free online for a simple Google search.

Find your favorite site for each tool, bookmark it as a favorite, and enjoy.

It is 2019 and most  
everyone has a  
smartphone.

You can have all six tools on your  
smartphone for instant use  
anywhere at anytime.

## **Blessing!**

After the six basic tools,  
there are special tools for  
deeper, faster Bible study.

These further tools use computers heavily to maximize their benefit and value in the easiest and fastest way possible.

Men used to books and fearful or resentful of change will lose, as an accounting manager I once observed, when manual ledgers disappeared.

I grew up with books. I started my ministry with books. I accumulated a fine library. But God had prepared me to change by introducing me to computers in banking and online trading to love technology.

**Thank you, blessed  
God and Father!**

Not unto us, O LORD, not unto us, but unto thy name give  
glory, for thy mercy, and for thy truth's sake.

Psalm 115:1

## **Information Explosion!**

There are now an unlimited number of books, but energy is very limited.

This combination discourages men and hinders truth.

And further, by these, my son, be admonished: of making many books there is no end; and much study is a weariness of the flesh.

Ecclesiastes 12:12

6 For of this sort are they which creep into houses, and lead captive silly women laden with sins, led away with divers lusts,

7 Ever learning, and never able to come to the knowledge of the truth.

II Timothy 3:6-7

## **Information Explosion!**

There is now more information on every subject than ever before, but there is less truth on every side!

We must have tools to  
filter all the information  
and find answers quickly.

I wisdom dwell with prudence, and find out knowledge of  
witty inventions.

Proverbs 8:12

The Internet instantly connects you to  
all published information ... with  
powerful search tools to  
find what you seek.

Technology is a gift from God, like  
printed Bibles and tape recorders.

The world uses it for lies and porn,  
but we use it for truth and wisdom.

Information on the Internet or printed in a book does not prove it to be truth.

Like reading Britannica, a commentary, or a dictionary in the past, all must be tried by the Bible and other tests.

The next tools were  
slowly learned over 40  
years of Bible study.

The next tools are  
ranked about where  
they belong in value.

## **SBST #4 ... *Wikipedia***

An encyclopedia was once all knowledge organized in a set of books. They were fine investments e.g. Britannica or World Book. Now they and this one are online. This one updated and with linked references.

## SBST #4 ... *Wikipedia*

- Who is Jacob Arminius? When did he live? What about Pelagius?
- What was Spurgeon's Metropolitan Tabernacle? When? Where?
- It is actually best for heresies and isms to know your enemy better.
- This modern, cool tool has hot links in articles for cross-reference.
- It also has "See also," "Notes," "References," and "External Links."

## **SBST #5 ... Topical Books**

Similar to commentaries or theologies, they are not named or known as such but go deeply into passages or doctrine e.g. Mauro on 70 weeks, Owens on atonement, Pink on Sovereignty, Woodrow on prophecy, etc.

## SBST #5 ... Topical Books

- I have shrunk my library by 90% over time due to far better tools.
- Even books out of print can be pulled from Google Books ([here](#)).
- General books e.g. Works of Jonathan Edwards are inefficient.
- They take a different role ... devotional, meditative ... not research.
- But if you trust the author as being a good source, see tool #7 !!!

## **SBST #6 ... Acid Tests**

To quickly gauge value of a work, there are verses or doctrines to check, which can quickly prove a source good or not. As Baptists, we know baptism is one. This tool weeds out the blind.

# SBST #6 ... Acid Tests (1)

- Prophecy: *Start, end 70 wks; Daniel 7's little horn; man of sin; etc.*
- Ecclesiology: *Baptist, baptism-membership, I Cor 12:12-27; II Tim 2:2.*
- Theology: *Trinitarian, sonship, sovereignty, adoration, relational ...*
- Salvation: *Total depravity, imputation, monergistic regeneration ...*
- Practice: *Divorce, civil rulers, ethics, liberty, pilgrims, holidays, etc.*

## SBST #6 ... Acid Tests (2)

- Super Test: *Start and end 70 wks in Dan 9:24-27; must have both.*
- Super Test: *“Lose your salvation” in Hebrews 6:4-6 and 10:26-31.*
- Super Test: *Who are the persons in Prov 8:22-31 and in Prov 30:4?*
- Super Test: *Was Vashti justified defying her husband and king?*
- Super Test: *Both – what are Solomon’s Song and Ecclesiastes for?*

## **SBST #7 ... General Books**

Some very gifted men spent much time in scripture but did not write theologies or commentaries. Their general works had a different role and were quite inefficient for research and study ... until now.

## SBST #7 ... General Books

- I have shrunk my library by 90% over time due to far better tools.
- Even books out of print can be pulled from Google Books ([here](#)).
- General books e.g. [Works of Jonathan Edwards](#) can be searched!
- His detailed analysis and sober approach may help with Ahaziah.
- To pursue this incredible tool further ... go [here](#) and [here](#) and [here](#).

## **SBST #8 ... Book Reviews**

If you consider a book to buy, you may easily get other opinions of it by reading book reviews. This tool will also help you easily answer books presented to you.

This tool was introduced in tool #3.

# SBST #8 ... Book Reviews

- Recall Solomon's warning ... primarily for us ... about many books.
- Wise men use tools to reduce energy and time to do more. Think!
- General reviews help a little, but you can ask specific questions.
- Consider Google your first tool to search reviews from your angle.
- Or you can use Amazon to search reviews of buyers at the bottom.

## **SBST #9 ... Checking Sources**

You may need to check out a church, book, video, song, ministry, website, blog, etc.

Identify the author or pastor, find out schooling, sponsorship, endorsements, jobs, other known works, and so forth.

## SBST #9 ... Checking Sources

- The goal here is to quickly discover any heresy bias of the person.
- Rather than read a book about Psalms ... check out the author.
- Dallas Theological or Puritan? Pastorates for Baptists or Anglicans?
- With practice, you can know bias and specific questions to search.
- Sometimes this will take only two minutes reading the back jacket.

## **SBST #10 ... Bibliographies**

Since we included topical books as a tool, when you find a good book on a subject, check its bibliography; it will list other sources for integrity and credibility.

This tool expands your sources.

# SBST #10 ... Bibliographies

- We want more sources for more angles and details for the truth.
- We want more sources for more integrity (Pr 24:6; II Co 13:1; II Pe 1:20).
- We want more sources for more credibility with those needing it.
- Example: Woodrow's for historicism; Mauro's for Farquharson.
- Example: our bibliography from bibliographies for true sonship.

## **SBST #11 ... Chronologies**

This tool reconciles all internal, dated Bible events to create a Bible timeline of events to compare to human history. It resolves various study difficulties. Anstey, Mauro, Floyd Nolen Jones, Moorman are best.

# SBST #11 ... Chronologies

- Anstey is best for its lengthy details and charts, but it has errors.
- Mauro corrects one error; Jones another but then adds one of his.
- Men dealing with every dated event can resolve Ahaziah, etc., etc.
- Most Bibles and Christians follow Ussher (1581-1656) and Ptolemy.
- While the books look nice, you can find their results via Google.

## **SBST #12 ... Bible Difficulties**

This tool solves apparent contradictions. Authors vary from Bible-believing to highly critical of the text. Read them carefully. Ruckman and Haley are possibilities for numbers, Gill wrote one for doctrine.

## SBST #12 ... Bible Difficulties

- The King James Bible has some apparent contradictions to answer.
- Most commentators are textual critics and will alter the holy text.
- Believing Bible study is very crucial ... God gets benefit of doubts.
- We assume the KJV correct ... it is our job to find reconciliations.
- This is where we remember God is the Author of Confusion ([here](#)).

## **SBST #13 ... Other Versions**

Other English, Hebrew, and Greek versions are helpful to show the great confusion on verses like I Sam 13:1; II Sam 21:19; I Pet 3:21; I John 5:7. You must be able to break opponents' so-called Bibles (John 10:35).

## SBST #13 ... Other Versions

- This tool helps us show the error of those hiding behind versions.
- This tool helps build and confirm faith that the KJV is superior.
- This is also where we know God is the Author of Confusion ([here](#)).
- You need not collect Bibles – these sites will do ... [here](#) and [here](#).
- Most any Bible can be found by Google with search function of it.

## **SBST #14 ... Google Translate**

This tool gives you the ability to translate Bibles or other works in foreign languages. You can check foreign Bibles this way. Not only do you have the tool of tongues for research but also for responding.

# SBST #14 ... Google Translate

- What if a contact asks you about the integrity of a Russian Bible!
- Get the foreign Bible version, copy the text, and translate it ([here](#)).
- In our international world and with our worldwide site, it happens.
- Foreign languages waste mind and time, so Google Translate it!
- Men have spread abroad since Babel, and God gave us this tool.

## **SBST #15 ... Figures of Speech**

The Bible is absolutely true, but it uses many figures of speech, likely more than all but esoteric writings. Bullinger's work has no peer for sheer volume, but online searches can often help find and list.

# SBST #15 ... Figures of Speech

- Remember, this is not a study of hermeneutics, but rather of tools.
- The first six tools, TSK and commentaries, will often reveal figures.
- Yet, you can search the Bible for figures e.g. irony, hyperbole, etc..
- You can also check a verse with a Google search e.g. Matt 19:24.
- Good commentaries suggest many figures ... Google the figure!

## **SBST #16 ... Atlases and Maps**

They help with geography, since the Bible names many places and describes trips between destinations. Any study of Paul's preaching trips will be enhanced by maps. Online searches will pull up a variety.

# SBST #16 ... Atlases and Maps

- An atlas is a collection of maps pertaining to a geographical area.
- Most Bible chapters have places named; context includes *where*.
- Hermeneutics solves *up/down*; tools locate topographical maps.
- A Google search gives options better than the back of your Bible.
- Eden, Ur, Babylon, Nineveh, Moab, Philistia, Galilee, Nazareth, etc.

## **SBST #17 ... Josephus**

He was a Pharisee and esteemed Jewish historian that wrote a history of the Jews.

He described Jewish customs and rulers.

His eyewitness account of Jerusalem's ruin in 70 A.D. is the best confirming testimony.

## SBST #17 ... Josephus

- His works in printed form are cheap, but they are also online.
- His works are in our website's reference section with directions.
- Both Woodrow and Mauro compare Matthew 24 to Josephus.
- Josephus also referenced John the Baptist, Jesus, and James.
- He is a good source used by apologists, since he lived 37-100 A.D.

## **SBST #18 ... Histories**

Fulfilled prophecy is one of the greatest proofs of the divine origin of the Bible. Some fulfillments are outside scripture, like Daniel chapters 7-12, where histories of Persia, Greece, and Rome will help.

## SBST #18 ... Histories

- Our Alexander the Great presentation ([here](#)) consulted many.
- You can read or listen to Gibbon's, [Rome](#), or use Google search.
- History of the Greek Empire after Alexander is key to Daniel 11.
- To check on the 1260 years of Roman pain is done easily online.
- Histories help sort out the Herods; histories document 70 A.D.

## **SBST #19 ... Apocrypha**

These uninspired books do contain information about the intertestamental period between Malachi and Matthew.

Only the books of the Maccabees provide much help.

# SBST #19 ... Apocrypha

- There is a gap between Malachi and Matthew with fulfillments.
- I & II Maccabees help explain details of Daniel 8 and 11 ... exploits!
- You do not need to read all of it ... go online to pinpoint where.
- Fools criticize the KJV for inserting the apocrypha as uninspired.
- The translators clearly identified it as mere supportive material.

## **SBST #20 ... English Dictionary**

Instead of lexicons for Hebrew and Greek words, we can use an English dictionary for more precise definitions of KJV words. The OED is the standard and most detailed, but higher rules of hermeneutics keep it back.

## SBST #20 ... English Dictionary

- The KJV does use words that are somewhat archaic and obscure.
- The OED is the most extensive and has many quotations of usage.
- One *Easter* is bunnies and eggs, but it is also *Passover* in Acts 12:4.
- Use it for *emerod, enchant, necromancer, prognosticator, etc., etc.*
- Context determines which meaning. Use a Bible dictionary first.

## **SBST #21 ... Interlinear Bibles**

These Bibles have one language directly under another language, line by line of Bible text. These are used most often to prove Hebrew or Greek pundits wrong. They also prove our regeneration verbs.

## SBST #21 ... Interlinear Bibles

- Since you do not have time to learn Hebrew or Greek, learn these.
- You can use a Masoretic one for II Sam 21:19 to see its error there.
- They are easy by a Google search ... *Masoretic Hebrew interlinear*.
- We used one recently to expose a Rabbinical error in Psalm 3:3.
- John 5:24 and I John 5:1 in a Greek one will give some pleasure.

## **SBST #22 ... Lexicons**

These are dictionaries in other languages, like Hebrew or Greek. Like an interlinear Bible, they are used to expose so-called Greek experts or bad translations. They are of little use, since we trust our KJV.

How can all the tools be  
kept in mind? By reason  
of use like many things.

### Sodomites

those who imitated the licentious wickedness of Sodom ([Deut 23:17](#); [1 Kings 14 Deut 14:24](#); [Rom 1:26, 27](#)). Asa destroyed them "out of the land" ([1 Kings 15 Rom 15:12](#)), as did also his son Jehoshaphat [22:46](#)).

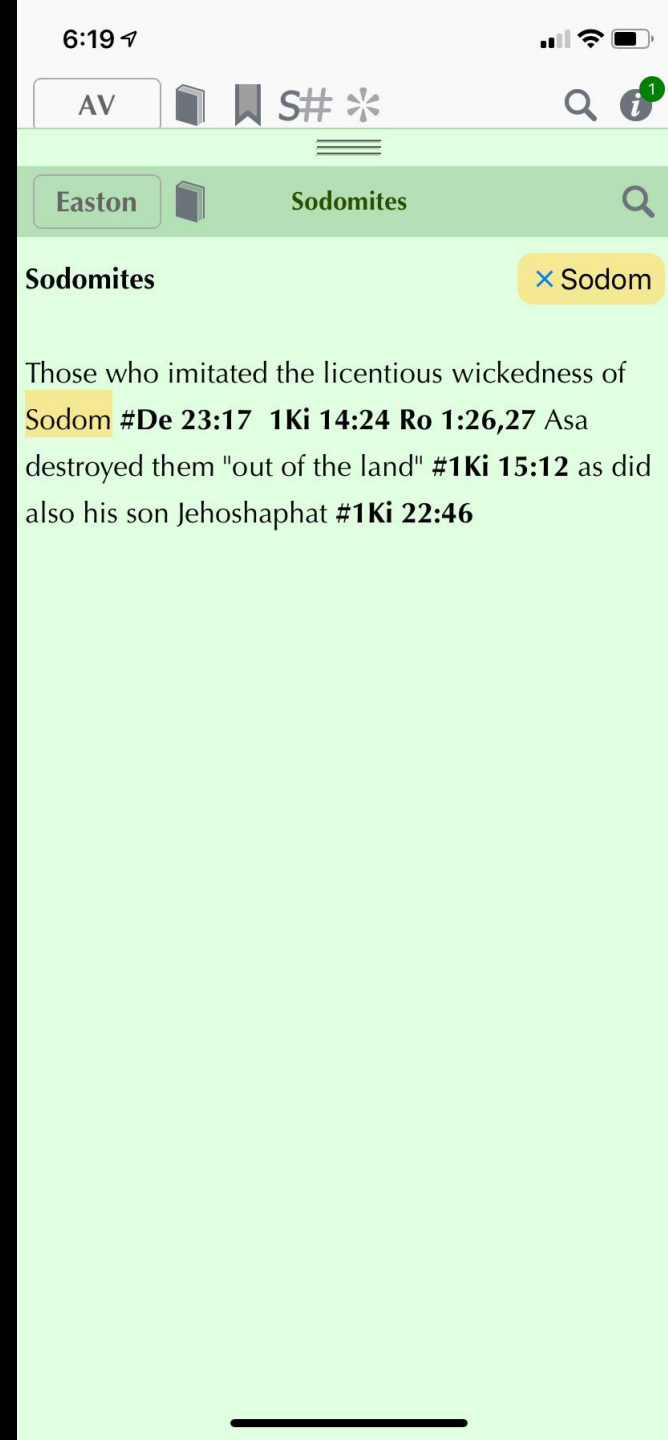

### Solemn meeting

### Solomon

peaceful, (Heb. Shelomoh), David's second son by Bathsheba, i.e., the first after their legal marriage ([2 Sam. 12](#)). He was probably born about B.C. 1035 ([1 Chr 22 Deut 22:5 29:1](#)). He succeeded his father on the throne in early manhood, probably about sixteen or eighteen years of age. Nathan, to whom his education was intrusted, called him Jedidiah, i.e., "beloved of the Lord" ([2 Sam 12:24, 25](#)). He was the first king of Israel "born in the purple." His father chose him as his successor, passing over the claims of his elder sons: "Assuredly Solomon my son shall reign after me." His history is recorded in [1 Kings 1-11](#) and [2 Chr. 1-9](#).

## Deuteronomy 23:15-25

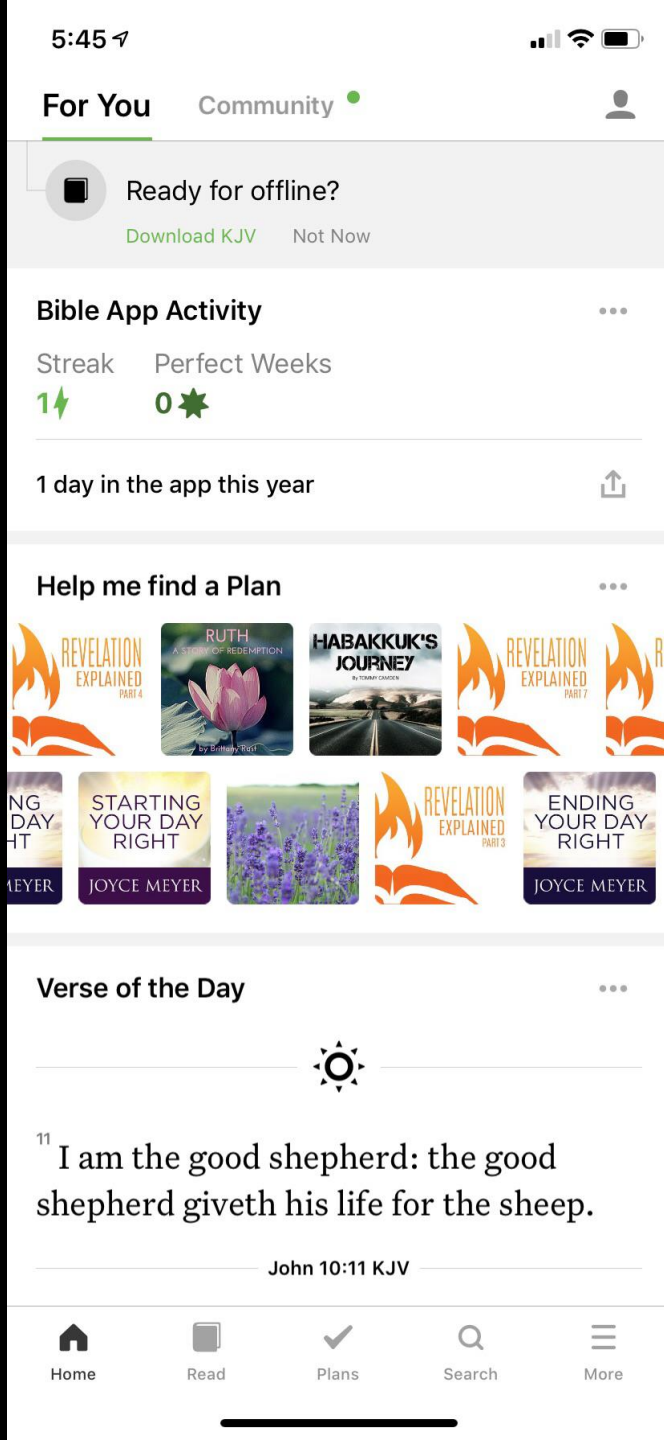

Vs. 15-25. It is honorable to shelter and protect the weak, provided they are not wicked. Prose-lytes and converts to the truth, should be treated with particular tenderness, that they may have no temptation to return to the world. We cannot honor God with our substance, unless it be honestly and honorably come by. It must not only be considered what we give, but how we got it. Where the borrower gets, or hopes to get, it is just that the lender should share the gain; but to him that borrows for necessary food, pity must be showed. That which is gone out of thy lips, as a solemn and deliberate vow, must not be recalled, but thou shalt keep and perform it punctually and fully. They were allowed to pluck and eat of the corn or grapes that grew by the road side; only they must not carry any away. This law intimated what great plenty of corn and wine they should have in Canaan. It provided for the support of poor travelers, and teaches us to be kind to such, teaches us to be ready to distribute, and not to think every thing lost that is given away. Yet it forbids us to abuse the kindness of friends, or to take advantage of what is allowed. Faithfulness to their engagements should mark the people of God; and they should never encroach
